THANK YOU!

Barb Lovercamp, with the Parents As Teachers, would like to Thank everyone who donated candy, money and their time for the Easter Egg Hunt in the Park! It turned out to be a beautiful day and many families attended this FUN community activity!

Donna Rothermich will be starting a Coupon Exchange that will take place at Alma City Hall. Many of us receive coupons in the mail or in our papers and many of them may not be the brand you use but they may be useful to someone else! These days any discount that we can get is welcomed!! Anyone that has coupons that they do not use or need can leave them at City Hall in a basket. In return, anyone is able to take as many coupons that are available that they need or could use. Please leave coupons that have not expired. If you are not able to drop off coupons during business hours, you are welcome to leave them in the night drop. If you have any questions, you may contact

Donna at 674-2230.
