## Reminder...

I will not be organizing the Alma Country Christmas anymore. I've taken charge of it for 8+ years and now it's time for someone else to take it over. If there are any individuals or group/organizations that would like to take it over to continue this event, contact me ASAP so that I can get you information and funds to start planning.

Winter will be here before we know it and we will be plowing the snow off the streets again. Just a reminder that if you have any trees that hang low over the streets or alleyways that they need to be trimmed up to at least 15 feet so that all tractors and road graders can easily drive underneath to remove snow without damaging their equipment or your tree. Branches can be taken down to the City burn pile for disposal.

# **Reminder that the City of Alma has a regulation on open burning of residential yard waste.**

With the fall season upon us, many will begin the dreaded task of raking the leaves. The City has an ordinance regarding open burning after several reports of out of control burning in a residential area. Alma residents are still allowed to burn Yard Waste and Leaves ONLY in a controlled setting.

## **Here are a few restrictions outlined in the Ordinance:**

1. All fires must be 20 feet away from any building or structure.
2. All fires shall be monitored from a point on the property where the fire is located by a person capable of containing a fire; a child 12 and under is not considered a person capable of containing a fire.
3. If the safety of the community or the public may be endangered, the Mayor, Fire Department, or Police Department may invoke a temporary Burn Ban.
4. All fires must be completely extinguished by 8:00 P.M.
5. The burning of garbage, fabric, furniture and other kinds of waste is Prohibited!
