

Iola Axtell Benefit

April 18
2020
5:00 p.m.

Concordia
Community
Center

Iola's family and friends are hosting a benefit dinner and auction on Saturday, April 18th, 2020. Donations will help offset medical bills and travel costs associated with her extended hospital stay at MD Anderson Cancer Center in Houston, TX.

Iola is a 1977 graduate of Eldon High School and worked in retail around the lake area for many years. She moved to Concordia/Emma and married Jim Axtell on a beautiful snowy day in May 2013, with her daughter Angela, grandson Andrew and granddaughter Limia at her side. She has been selling radio advertising in this area for many years, making lifelong friendships with many of her clients who adore her.

Iola refuses to let cancer define her. She loves life, her family and her friends. She remains strong and is keeping a positive outlook while relying on God's grace to see her through.
