2013!

## Reminder...

Contact City Hall to reserve the Open Shelters or the Enclosed Shelter/Cook Shack at the Park for your events this summer. Reservations are starting to come in and it's best to check availability before planning your event!

**Open Shelters-FREE**

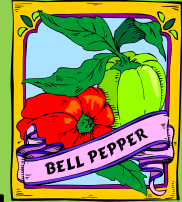

**Enclosed Shelter/Cook Shack-\$15.00/day**

Now that Spring has **FINALLY** arrived many citizens have been working hard in their yards. The City is glad that there is a place for you to dispose of your yard waste to keep our City looking so nice! Please be diligent not to dispose of anything other than yard waste in the burn pile. Lumber is accepted as long as all nails, metal, asbestos, & etc. have been removed. If you are unsure if an item is permitted in the burn pile, please get prior approval from City Hall. When unloading your yard waste, **PLEASE** unload **ON** the burn pile and not in the middle of the road. This has occurred in the past blocking the road for maintenance at the lagoon or for other citizens needing to dump yard waste. Also, **ONLY** City employees are allowed to light the burn pile on fire.
