Annual Easter Egg Hunt In Alma City Park

A BIG Thanks to the businesses and individuals that donated to Alma's Easter Egg Hunt and Flashlight Hunt!! A Special THANKS to the Santa Fe National Honor Society & FFA for filling and hiding the eggs. You have created a childhood memory! Also, if anyone has extra plastic eggs you don't need and are willing to donate them, please leave them at City Hall.

Thanks again for Easter fun!

These pictures are from a scrapbook that was brought into City Hall by a local. This scrapbook was kept by the Alma Community Betterment Committee and looks to be from the early 1970's. It contained many projects that were funded by the Committee and documented the many things the citizens had done to develop the neighborhoods or to improve their properties.

The first set of pictures shows the development on Virginia. You can see the houses that were being built and see Virginia before it really even was a Street!

The second set are pics of Trinity & the parsonage and pics of the monument in the City Park.

The last set shows the Locker before and after it received new siding!

They are many more pictures that I will share with you soon!
