Out Of The Past

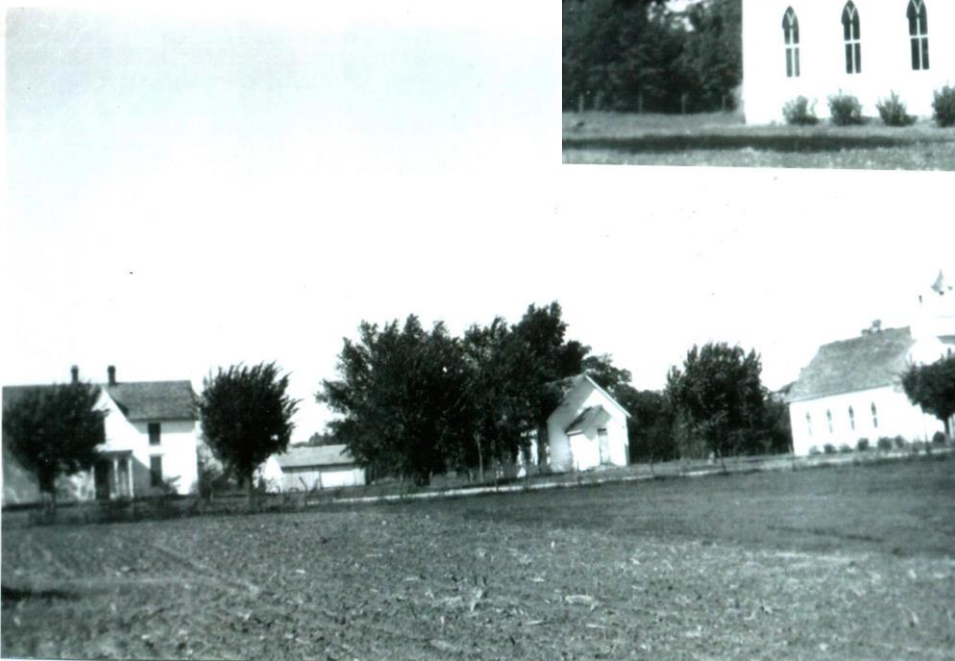

DeLaval Day was held at the Alma Hardware Co. Cream separators were on display and their use and parts were explained by the salesman on the far

right. Pictured, from left, are: Richard Buhlig, Pete Koppenbrink, Andy Rolf and Henry Dieckhoff, all employees of the hardware company.

These are some new Alma History pictures that have been brought in recently. Reminder we would love to scan any pictures that we may not have that pertain to any of Alma's Past so that we may display them on the wall in City Hall!
