February 4 - Council Meeting @ 7pm

February 5 - Hour of Prayer @ Noon

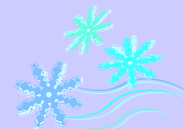

February 14 - Happy Valentine's Day!

February 19 - Road District Meeting 8am

February 25 - Flower Club Meeting

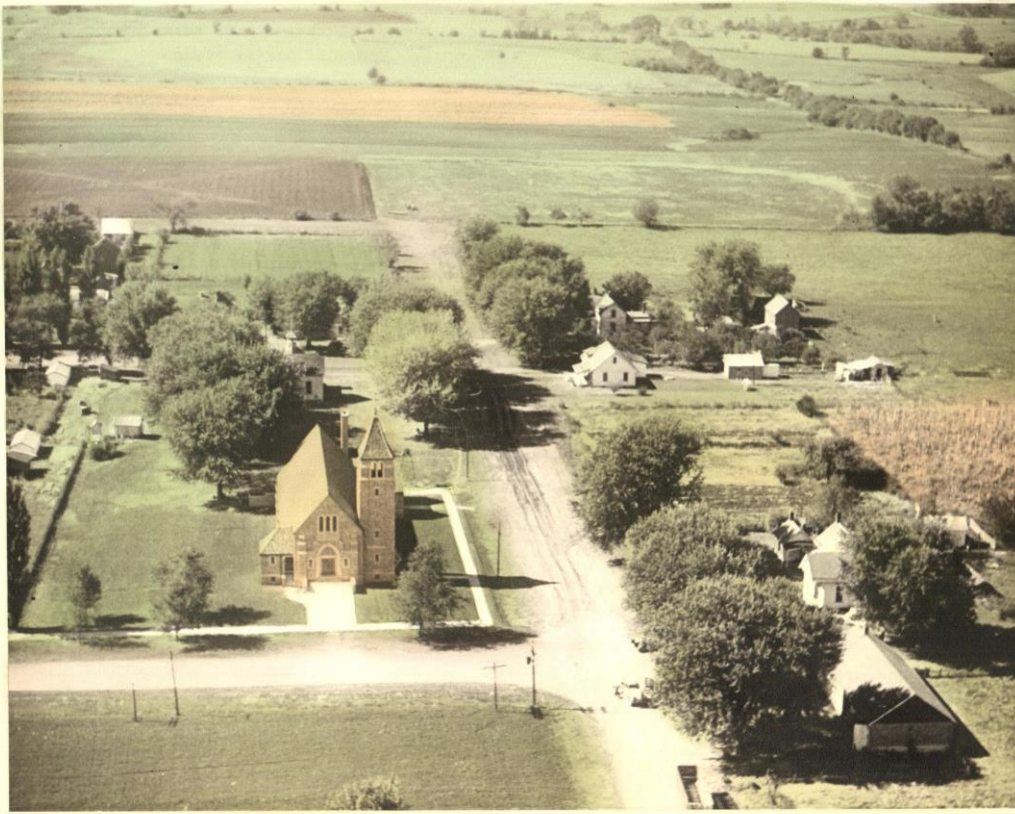

Reminder...

In preparation for the upcoming "snow" weather the next few months, I just wanted to remind everyone who parks their vehicles along the street to move your vehicle to the opposite side once snow plows have made a path so that they may come back through and make a clear path on both sides by curbs. If you are able to pull your vehicle(s) into a driveway before the snow storm that would make it easier for the plows to clear the streets faster.

This picture was brought in and really shows how much the North part of town has developed over the years! This would be looking down 4th Street to the West.

This is the old grain elevator being torn down on the rail road bank.

Main Street in Alma in 1882

Downtown sure looks different now!
