Alma Easter Egg Hunt in Alma City Park

The Annual Alma Easter Egg Hunt has been set for **3pm on Saturday, April 4th**. The Santa Fe FFA and National Honor Society have taken over organizing this event. The Hunt will be broken up into different age groups. If there is inclement weather the Egg Hunt will be held at the Santa Fe High School.

We will also have the “**Flashlight**” Hunt in the City Park at 8:30pm for the older kids (weather permitting).

Reminder...

If you want to rent the park shelter houses for a party, reunion or graduation this year, be sure to book in advance, as reservations are already starting to come in! Even if you are just going to use the Open Shelters for an event it is best to reserve them in case the entire park has been rented out for that day!

Open Shelter Houses are FREE to reserve.

Enclosed Shelter is \$15.00/day.

Call or email City Hall to check availability!!

FYI...

On the Water Bill going out APRIL 25th, you will notice a “PRIMACY” FEE on it. This is a yearly fee that the City collects for the Missouri Department of Natural Resources. This user fee, paid by the customers of Missouri’s public water supply systems, supports the department’s efforts to ensure Missourians are provided safe drinking water.

REMINDER...

General Municipal Elections will be April 7, 2015

Poles will be open at Alma City Hall from 6:00am-7:00pm

***City Hall Office will be Closed that day!**

We will not have a City-wide cleanup day as our new trash company would rather pick up your large piles throughout the year instead of just on one day. So if you are doing some Spring cleaning, don't worry about setting out a large pile-they WILL pick it ALL up!
They do not take appliances, concrete, any hazardous products or yard waste unless in pre-approved bags!

The City of Alma now has Nixle messaging. The service, created by Nixle, LLC delivers trustworthy and important neighborhood-level public safety and community event notifications by web, e-mail, and cell phone. The broadcast information originates from the City of Alma.

Nixle is simple, trusted and available at no cost. There is no spam or advertising associated with Nixle messages.

Residents may learn more and register for the service <http://local.nixle.com/alma-police-department-mo>. Citizens are also encouraged to spread the word on this new service so that others may benefit from the notifications.

Nixle is built exclusively to provide secure and reliable communications. Its authenticated service connects public safety agencies to residents in real time, delivering information to geographically targeted consumers over their cell phones (via text messages), through e-mails and through Web access.

If you wish to receive notices from the City of Alma & the Alma Fire Department, please click on the link above. The registration is super easy. You may register for emails or texts.

At this time we will be sending out emergency notifications to residents. Such as when we are having severe weather, the City & Fire Department can notify residents the status of the weather and not solely rely on the residents to listen for the sirens and the all clear messages. The City will also send out any alerts regarding boil orders and water line breaks. While logged in you can search for notifications from other groups, such as Lafayette County Sheriff's Dept., which sends out messages alerting citizens of police issues or if there are road closures and inclement weather warnings.
