The City Hall just finished up getting a face lift! A year ago 4-H painted the walls & bathrooms in City Hall. Now, all new flooring was installed throughout City Hall, a much needed thing! It really has brightened up the Hall and feels much bigger. I need to Thank some people who helped me move EVERYTHING out of City Hall so I could set up a temporary office in the Police Department for a week. Thanks to: Danny Mahoney, Nick Boehmer, Tom Gross, Bryce Bishop, Ed Johnson, Jeff Buford, and Ryan Tucker.
